LB 455, 456, 599, 626, 851

CLERK: Thank you. Your Committee on Enrollment and Review reports LB 456, LB 599, LB 626 as correctly engrossed. Senator Hall would move to place LB 851 on General File pursuant to Rule 3, Section 19(b). Amendments to LB 455 to be printed. (See page 1598 of the Legislative Journal.)

The next amendment I have to 455, Madam President, is by Senator Chambers. (FA134 appears on page 1599 of the Legislative Journal.)

SENATOR CROSBY: Senator Chambers.

SENATOR CHAMBERS: Madam President, members of the Legislature, Mr. Clerk, would you read which that one that is?

CLERK: Senator, adds a new section, add a new section, page 10, lines 24-28. Add a new section on page 10, lines 24-28, reinstate the stricken matter, and on page 11, lines 26-28, page 12, line 1, reinstate the stricken matter.

SENATOR CHAMBERS: Yes, I have it and since I had copies I wanted to be sure that I could hand them out. And this amendment goes to the green copy of the bill. Because we are talking about various changes to some aspects of this bill, but preliminary things that were required by the legislation we enacted last year have not been done, so the first part of the amendment is on page 10. It would be at the bottom and this is the language on page 10 that would be reinstated. "Before the approved waiver is submitted to the Legislature for approval." That's what we're doing now, these waivers have been obtained before they're submitted to us for approval. The department shall also submit to the Legislature specific and detailed guidelines and standards which it will utilize to carry out the purposes of the act concerning the following areas. You would then go to page 11 and in lines 26-28 you find these words, and then you go on to the next page, the first sentence. Jobs availability information reflecting the report from the Governor's round table. Such information shall include the location of available jobs, the type of jobs available and the levels of pay and benefits. I would like to ask Senator Bohlke a question.

SENATOR CROSBY: Senator Bohlke.

SENATOR BOHLKE: Yes.
